Thank you for a lovely, relaxing stay! As much as we enjoyed the bed & shower, Sue's warmth & conversation made the stay! So happy we have found a tranquil getaway spot in Davis! We're looking forward to a return trip - especially with my husband - showing him these wonderful comforts of home and wonderful conversations. Thank-you - so glad we were able to be one of your first visitors.!! Good luck with this beautiful home.

Dear Sue, Thanks for a lovely stay. May your garden grow. Evan

Thank you so much for a wonderful place to enjoy our first visit to Boston! So enjoyed our conversations with Sue + petting her cat. It helped to not miss my cat at home so much.

... Our fourth visit to this area has been filled with fun and some challenging moments. (The accent this time was on the Freedom Trail to Concord and Lexington ..... etc). How nice to be based here, with Sue attentive and so helpful. Many, many thanks. Much appreciated. Christine + Eric (from Switzerland)

This is our 2nd visit, once at Morrison House and now here at DSI. We watched the transformation of this property. It is quite a lovely Inn. We will be back again as our son has made his home here in Somerville.

Susanna and Kätzchen offered remarkable hospitality to me, here on an extended stay. I appreciated the true warmth of my experience, enjoyed our intelligent conversations and the bonus of playing with Kätzchen. I'm a local, having work done on my home, so staying here was fantastically convenient (2 blocks to the T!), and exciting to explore Davis Square. Sue is a very special individual,

Santa visited us at the Davis Square Inn and provided 8 days of gifts: wonderful, interesting conversations with Sue; a beautifully decorated Christmas tree; cozy bedroom; welcoming greetings by Sue and Katzchen to our daughter, her husband and their children (Somerville residents); accomodations for our son, who visited from NYC; breakfasts with fabulous fresh fruit, homemade pastry and French Press coffee...; historical sites in Boston and area; places of natural beauty.... And the temperature was unseasonably warm, sometimes sunny, and a welcomed contrast to last year's ten feet of snow! Thank you, Sue, for making Christmas 2015 special!

From the moment we entered and were met so graciously by Susan, we knew that this was the pefect place to be. We felt so welcomed and at home. Our room was splendid - so luxurious. The bed was amazingly comfortable. Breakfast is delicious and plentiful. We will be sure to return and to tell our travelling friends about this spectacular B+B. Thank-you,

Wendy + Nick Yaffe.
